

Although government funding is a significant contributor, Aurora’s success relies heavily on contribution from the school community in the form of fees and donations. The school greatly appreciates these contributions and they enable Aurora Steiner to create a rich and diverse learning program for the children.

The tuition fee is billed per student at the beginning of each term, and includes all materials, student excursions, special events, all camps, sporting events and equipment, and all musical equipment.

Building Fund

Donations to the Building Fund are tax deductible. This fund assists with building projects and maintenance. Tax deductible receipts are issued early in July each year in the name of the account holder(s). We ask families to please donate \$200.00 or more per annum.

Withdrawal

One term's notice of withdrawal of a student from the school should be given in writing. In the absence of such notice the equivalent of a term's fees may be charged. Any other outstanding fees must be settled prior to the child's departure date. The school requests an exit interview with the teacher, and classes appreciate the opportunity to farewell students.

Late/Non Payment of Fees

Non-Payment of fees may result in cancellation of enrolment. In cases where circumstances prevent timely settlement of fees, alternative payment arrangements must be made with the office as soon as possible.
